

The Poetry Class

Poetry & Science

with Jo²

Auckland's Johanna Emeney joins our own Joanna Preston for a whole-day poetry workshop exploring the intersection of poetry and science.

Poetry of the body, the personal medical poem, the poetry of science, poetry and mathematics, and ways of bringing these seemingly disparate disciplines safely together.

The Boardroom
South Library
Beckenham

Friday 16 November 2018
(Show Day)
10 am to 4 pm
The Boardroom
South Library
66 Colombo St, Christchurch

*minimum 10, maximum 18 places
enrolments close 10th November 2018*
